FOLLOW-UP TO INFORMATION SESSIONS:

**LANDS COMMITTEE:**

In January 2018 I sent out an invitation to community members asking if they were interested in becoming a member of a Lands Committee. To date I have 4 interested community members. The committee is still open to members and you need only to communicate with the Lands and Estates office at the Mohawk Council of Kanehsatake and give your name. I will communicate when our first meeting will take place.

**LAND REGIMES IN CANADA – THURSDAY, FEBRUARY 15<sup>TH</sup> 2018 – AMANDA SIMON**

In Canada there are approximately 618 First Nations for a total of approximately 850,000 First Nations from Coast to Coast. The Government of Canada offer and fund three land Regimes to these First Nations which are as follows: RLEMP (Reserve Land and Environment Management Program); FNLMA (First Nation Land Management Act); and Comprehensive Self-government. Kanehsatake currently manages their lands under RLEMP – operation level. – Power point presentation of this session is available on [www.kanesatake.ca](http://www.kanesatake.ca)

A total of 8 community members participated in the Land Regimes Information session.

**INTRODUCTION TO LAND USE PLANNING – WEDNESDAY MARCH 14<sup>TH</sup> 2018 – JAMES ROACH**

Land Use Planning is the process of planning a scientific and orderly allocation of land, community resources, facilities, and services with a view to maintaining and improving the physical environment and the economic and social conditions of the community. Power point presentation of this session is available on [www.Kanesatake.ca](http://www.Kanesatake.ca)

A total of 27 community members participated in the Introduction to Land Use Planning session.

Attached is the Land Use Plan Questionnaire for a 2<sup>nd</sup> time! I have also included a SWOT analysis for completion and to be returned to my office for data compilation. Your participation is required to keep this initiative alive.
