Management's Responsibility

To the Community Members and Chief and Council of Mohawk Council of Kanesatake:

The accompanying financial statements of Mohawk Council of Kanesatake are the responsibility of management and have been approved by Chief and Council.

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial statements. Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. Council is also responsible for recommending the appointment of the Mohawk Council of Kanesatake's external auditors.

MNP SENCRL, srl is appointed by the Chief and Council to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both Council and management to discuss their audit findings.

Independent Auditor's Report

To the Community Members and Chief and Council of Mohawk Council of Kanesatake:

Qualified Opinion

We have audited the financial statements of Mohawk Council of Kanesatake (the "First Nation"), which comprise the statement of financial position as at March 31, 2019, and the statements of operations and accumulated surplus, changes in net debt, cash flows and the related schedules for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the First Nation as at March 31, 2019, and the results of its operations, changes in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

Note 2 describes the policy with respect to the Council's tangible capital assets. The policy states that tangible capital assets are recorded at cost. As there was no audit performed between 2002 and 2006, we are unable to determine if the opening balances should reflect any asset additions pertaining to these years. The note also indicates that Council expensed capital asset purchases from 2007 to 2008 to the specific program where the program dictated. In these respects, the financial statements are not in accordance with Canadian public sector accounting standards, and the effects of these departures from Canadian public sector accounting standards on the financial statements for the year ended March 31, 2019 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

	209,331	378,350
Capital activities		
Purchases of tangible capital assets	(780,973)	(1,424,650)
Proceeds of disposal of tangible capital assets	384,783	-
	(396,190)	(1,424,650)
Investing activities		
Decrease (increase) in loans receivable	(101,857)	(907)
Increase in cash resources	231,073	630,303
Cash and cash equivalents, beginning of year	718,848	88,545
Cash and cash equivalents, end of year	949,921	718,848

The accompanying notes are an integral part of these financial statements

1. Operations

The Mohawk Council of Kanasatake (the "First Nation") is located in the province of Quebec and provides various services to its members. Mohawk Council of Kanasatake includes the Nation's members, government and all related entities that are accountable to the Nation and are either owned or controlled by the Nation.

2. Significant accounting policies

These financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and include the following significant accounting policies:

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.

Net debt

The First Nation's financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its financial assets less its liabilities. Net debt is comprised of two components, non-financial assets and accumulated surplus.

Cash and cash equivalents

Cash and cash equivalents include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

At year end, the First Nation does not hold any short-term investments.

Tangible capital assets

Tangible capital assets are initially recorded at cost based on historical cost accounting records. Contributed tangible assets are recorded at their fair value at the date of contribution. Tangible capital assets include acquired, built, developed and improved tangible capital assets whose useful life extends beyond one year and which are intended to be used on an ongoing basis for delivering services.

Amortization

Tangible capital assets are amortized on a straight-line basis over their estimated useful lives over the following periods:

	<i>Periods</i>
Roads	40 years
Buildings	40 years
Water & sewage	40 years
Machinery & vehicles	10 years
Furniture & fixtures	10 years
Computer hardware and software	3 years
Fibre Optic Network	25 years

2. **Significant accounting policies** *(Continued from previous page)*

Long-term debt

Long-term financing received to fund tangible capital asset purchases is recognized in the period the financing is acquired and recorded as an increase in long-term debt.

Repayments of long-term financing are recognized as a decrease in long-term debt.

Long-lived assets

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. The carrying amount of a long-lived asset is not recoverable if the carrying amount exceeds the sum of the undiscounted future cash flows from its use and disposal. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Fair value is measured using discounted future cash flows. Any impairment is included in deficit for the year.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary and loans receivable are stated after an allowance for loan impairment. Amortization is based on the estimated useful lives of tangible capital assets. These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in surplus / deficit in the year in which they become known.

Revenue recognition

Government Transfers

The First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the First Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Externally restricted revenue

The First Nation recognizes externally restricted inflows as revenue in the period the resources are used for the purpose specified in accordance with an agreement or legislation. Until this time, the First Nation records externally restricted inflows in deferred revenue.

Government grants

The Daycare (Tsi' Rontswa'takhwa) receives operating grants based on the number of days attended per child. Any excess or shortfall in this estimation is repaid or recovered from the Government.

The government assistance related to the construction of a portion of the building is deferred and amortized at the same rate as the related assets.

2. Significant accounting policies *(Continued from previous page)*

Loans receivable

Loans are recorded at principal amounts, less any allowance for anticipated losses, plus accrued interest. Interest revenue is recorded on the accrual basis. Loan and administration fees are amortized over the term of the loan.

Employee future benefits

The First Nation's employee future benefits program consists of a defined benefit plan.

The First Nation is part of a multi-employer plan for which there is insufficient information to apply defined benefit plan accounting. Accordingly, the First Nation is not able to identify its share of the plan assets and liabilities, and therefore, the First Nation uses defined contribution accounting for this plan. Contributions to the defined contribution plan are expensed as incurred.

Funds held in Ottawa Trust Fund

Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other First Nation tangible capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Segments

The First Nation conducts its business through fourteen reportable segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives to aid in resource allocation decisions and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the *Significant accounting policies*.

3. Funds held in trust

	2019	2018
Capital Trust		
Balance, beginning and end of year	21,164	21,164
Operating fund		
Balance, beginning of year	3,694	3,177
Interest	577	517
Balance, end of year	4,271	3,694
	25,435	24,858

Mohawk Council of Kanasatake

Notes to the Financial Statements

For the year ended March 31, 2019

4. Quebec Government Grant Receivable - Programme de Financement des Infrastructures

In 2016, Tsi Rontswa'takhwa (the Daycare) was approved for grants to be received for the construction of its building under the "programme de Financement des Infrastructures" (PFI) of the Ministère de la Famille (MF). The purpose of these grants is to repay the mortgage on the building being financed by the National Bank of Canada. The MF pays for the interest on this mortgage which is recognized as income by the Daycare. The grant receivable is tied to the PFI mortgage, and thus is reduced by the same amount as the capital repayment each year.

	2019	2018
Balance beginning of year	847,283	629,549
Construction and interest costs capitalized	82,994	217,734
	930,277	847,283

As the term loan from the National Bank of Canada has not yet been converted into a long-term debt under the PFI program, no amounts have been received from the MF in the current or prior year.

5. Accounts receivable

	2019	2018
Indigenous Services Canada	1,605,950	1,479,463
Canada Mortgage and Housing Corporation	75,332	193,535
First Nations Education Council	101,762	103,572
Accounts receivable - Other	340,437	293,569
Commodity taxes receivable	36,204	128,172
	2,159,685	2,198,311

6. Loans receivable

The loans receivable are unsecured loans made to community members and are non-interest bearing with no fixed terms of repayment.

7. Credit facility

The First Nation has an authorized credit facility of \$200,000 of which \$Nil (2018 - \$Nil) was used as at March 31, 2019. Advances bear interest at prime plus 2.5% (2018 - prime plus 2.5%). The line of credit is secured by a first rank moveable hypothec on all receivables and is renewable on an annual basis.

8. Accounts payable and accruals

	2019	2018
Accounts payable	1,919,008	2,025,254
Accruals	332,811	296,844
Salaries payable	611,175	216,105
Government funding repayable	164,373	958,974
	3,027,367	3,497,177

Mohawk Council of Kanestatake

Notes to the Financial Statements

For the year ended March 31, 2019

9. Deferred revenue

Deferred revenue consists of contributions received under various programs which the Nation did not fully expend during the year. The total unexpended contributions are as follows:

	<i>Balance, beginning of year</i>	<i>Contributions received</i>	<i>Amount recognized as revenue</i>	<i>Balance, end of year</i>

	895,323	5,062,003	4,898,497	1,058,826

10. Deferred government grants - Programme de Financement des Infrastructures

	2019	2018
Balance, beginning of year	847,283	629,549
Additions during the year	82,994	217,734
	930,277	847,283

11. Long-term debt

	2019	2018
Term loan, interest bearing at 3.99%, repayable in 60 blended monthly instalments of \$442, maturing November 2020, secured by a vehicle with a net book value of \$20,268	8,531	13,384
Term loan, bearing interest at 4.59%, repayable in 60 blended monthly instalments of \$1,272 maturing October 2021, secured by a vehicle with a net book value of \$58,207	37,116	50,345
ISC loan related to land claim negotiation expenses from 2012 to 2017, repayable without interest on the earlier of March 31, 2021 or the date on which the claim is settled	1,028,515	884,096
Daycare Center bridge financing loan, to a maximum of \$890,167, for which the bank has accepted an overage up to \$930,277, interest bearing at prime less 0.125% per annum, convertible to a term loan upon construction completion, secured by a \$1,068,201 first-ranking movable hypothec on the universality of receivables, principle and interest payments on bridge loan and subsequent term loan to be funded by Ministère de la famille du Québec	930,277	847,283
	2,004,439	1,795,108

Principal repayments on long-term debt in each of the next three years are as follows:

	Scheduled payments	Loans subject to renegotiation	Total
2020	18,899	930,277	949,176
2021	17,978	1,028,515	1,046,493
2022	8,770	-	8,770
	45,647	1,958,792	2,004,439

12. Commitments

The First Nation has entered into long-term lease agreements for the rental of office equipment used in the daily operations. Annual lease payments are approximately \$10,000 to March 2022.

13. Contingencies

- a) The organization has entered into contribution agreements with various government departments. Funding received under these contribution agreements may be subject to repayment upon final review by the various funders of the eligibility of expenses.
- b) During the normal course of operations, the Council is subject to legal claims. The total of these claims as at March 31, 2019 is \$1,268,341. While Council is unable to accurately estimate the outcome of these claims, the full amount has been accrued in the financial statements.

With regards to these claims, no reference to any expense or to any revenue, allocations, transfer, contributions or other income as being deferred or surplus constitutes an admission of any legal obligation by Council to any party for any reason. No reference to any account or liability as payable or accrued and no reference to any amount as a liability, as owing or as a debt of any kind constitutes an admission of any legal obligation by Council to any party for any reason. More particularly, such references are made only in order to comply with Canadian public sector accounting standards, and does not include any authorization to make admissions as to legal obligations. For greater clarity, the approval of the financial statements by Council does not necessarily include an acknowledgement of any right enjoyed by any other party.

- c) Council has been served with an action by another First Nation seeking damages of \$1,397,786 plus interest. This action relates to the plaintiff's claim that Council should have contributed to the upkeep and development of a shared territory. While the outcome of this claim cannot be ascertained at this time, Council is of the opinion that it has good legal arguments to defeat the claim. As such, no provision has been recorded in the accounts. Any settlement resulting from this claim will be recorded as an expense in the year in which the settlement, if any, occurs.
- d) Mohawk Council of Kanasatake has incurred certain financial obligations with respect to the research, development and negotiation of its specific claim relating to the Seigneurie of the Lake of Two Mountains. ISC has provided MCK with an interim loan to assist them in meeting these obligations. As at March 31, 2019, the outstanding loan is \$1,028,515. The advance is secured by a promissory note which is payable on the earlier of March 31, 2021 or the date on which the claim is settled.

14. Tangible capital assets

The tangible capital assets reconciliation is included in Schedule 1.

Included in the cost of the Daycare Building is \$80,470 of interest capitalized.

Daycare Building and Daycare Furniture and Fixtures with a carrying value of \$930,277 have not been amortized in the current year. Under the requirements of the PFI Grant program annual amortization must equal to the amount of the repayment of the principle on the long-term debt. As there has been no repayments made by the MF, no amortization was taken.

Mohawk Council of Kanasatake
Notes to the Financial Statements
For the year ended March 31, 2019

15. Accumulated surplus

Accumulated surplus consists of the following:

	2019	2018
Capital asset fund		
Balance, beginning of year	7,238,074	6,325,659
Acquisition of tangible capital assets	716,060	1,258,800
Asset removed due to fire loss	(321,415)	-
Amortization	(392,348)	(346,385)
	7,240,371	7,238,074
Deficit		
Balance, beginning of year	(1,988,940)	(2,596,264)
Annual Surplus	1,102,382	1,866,124
Surplus transferred to capital fund	(716,060)	(1,258,800)
	(1,602,618)	(1,988,940)
Externally Restricted - Ottawa Trust Funds		
Balance, beginning of year	24,858	24,341
Surplus	577	517
	25,435	24,858
	5,663,188	5,273,992

16. Government transfers

During the year, the First Nation recognized the following government transfers:

	Operating and capital	Deferrals and repayments	2019	2018
Federal Government Transfers				
Indigenous Services Canada	9,635,214	61,255	9,696,469	10,196,497
Canada Mortgage and Housing Corporation	86,745	-	86,745	209,653
Health Canada	-	-	-	56,559
Employment and Skills Development Canada	224,817	-	224,817	24,736
Canadian Environmental Assessment Agency	37,122	-	37,122	109,910

	10,175,283	60,085	10,235,368	10,807,471
Provincial Government Transfers				
Secrétariat aux Affaires Autochtone	22,390	(9,876)	12,514	-
Ministère de la famille du Québec	281,103	(16,445)	264,658	100,479
Ministère de la Culture et des Communications	43,750	(22,590)	21,160	-
	347,243	(48,911)	298,332	100,479
	10,522,526	11,174	10,533,700	10,907,950

17. Defined benefit pension plan

Multi-employer plan

The First Nation participates in a multi-employer benefit plan on behalf of its employees. The First Nation's contributions to this plan and corresponding expense totalled \$145,974 (2018 – \$113,818).

18. Economic dependence

Mohawk Council of Kanesatake receives 74% (2018 - 82%) of its revenue from Indigenous Services Canada (ISC). The ability of Mohawk Council of Kanesatake to continue operations is dependent upon the Government of Canada's continued financial commitments.

19. Budget information

The disclosed budget information has been approved by the Chief and Council of the Mohawk Council of Kanesatake at the Band Council meeting held on May 15, 2018.

20. ISC funding reconciliation

	<i>2019</i>	<i>2018</i>
Balance per financial statements	9,635,214	10,991,354
Less: SAT employability revenue	-	(29,993)
Balance per ISC funding confirmation	9,635,214	10,961,361

21. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.
